

The Sadness Will Never End (Skrillex) [aka Sonny]

Bring Me the Horizon

Our legs begin to break
We've walked this path for far too long
My lungs, they start to ache but still we carry on I'm choking on my words like I got a noose around my neck
I can't believe it's come to this
I can't believe it's come to this
And dear I fear that this ship is sinking tonight I won't give up on you
These scars won't tear us apart so don't give up on me
It's not too late for us
And I'll save you from yourself
And I'll save you from yourself Our legs begin to break
We've walked this path for far too long
My lungs begin to ache but still we carry on
I'm choking on my words like I got a noose around my neck I'm not coming home tonight, I'm not coming
home tonight
'Cause dear I fear, dear I fear
I'm not coming home tonight, I'm not coming home tonight
'Cause dear, I fear This ship is sinking
Is there hope for us? Can we make it out alive?
I can taste the failure on your lips
Is there hope for us? Can we make it out alive?
I can taste the failure Close your eyes, there's nothing we can do
But sleep in this bed that we made for ourselves
You're trapped in your past like it's six feet under I won't give up on you
These scars won't tear us apart so don't give up on me
It's not too late for us
I'll save you from yourself
I'll save you from yourself
I'll save you from yourself
I'll save you from yourself Try to numb the pain with alcohol and pills
But it won't repair your trust
You can't stand on two fucking feet
With a substance as a crutch I won't give up, I won't give up on you
We'll play this symphony
I won't give up, I won't give up on you
We'll play this symphony of sympathy I won't give up, I won't give up on you
We'll play this symphony of sympathy
I won't give up, I won't give up on you
We'll play this symphony of sympathy
