Good Forever

Matt Redman

Blessings before me, blessings behind me
Forever You are good
Battles before me, battles behind me
I'll look to You aloneYou are good forever and Your love endures
You are good forever and Your love endures
Jesus, always, Your love remains
You are good, You are goodFrom the beginning to everlasting
Your kindness knows no end
And should the earth shake,
should every star fade,
still You will never fail
God, You will never failYou are good forever and Your love endures
You are good forever and Your love endures
Jesus, always, Your love remains
You are good, You are goodYou are good forever and Your love endures
You are good forever and Your love endures
Jesus, always, Your love remains
You are good, You are goodIn battle, in blessing
Your love never fails us
Unending, unchanging
What could come against
In battle, in blessing
Your love never fails us
Unending, unchanging
What could come against
Your love for us, Your love for us
Your love for us, Your love for usYou are good forever and Your love endures
You are good forever and Your love endures
Jesus, always, Your love remains
You are good, You are goodYou are good forever and Your love endures
You are good forever and Your love endures
Jesus, always, Your love remains
You are good, You are goodYou are good, You are good
You are good, You are goodBlessings before me, blessings behind me
Forever You are good
