

# Raise Up Raise Up the Standard

Godfrey Birtill

Raise up raise up the standard jesus  
jesus across the land

Heavens arches are ringing ringing ringing  
with his beloved name again

Yesterday today forever the same  
Yesterday today forever the same  
Yesterday today forever the same

Raise up raise up the standard jesus  
jesus across the land again

heaven arches are ringing ringing ringing  
with his beloved name

yesterday today forever the same  
Yesterday today forever the same  
Yesterday today forever the same

Hear the glad sound the savior comes  
the savior promised long

Let every heart prepare a throne  
and every voice a song

He comes the prisoner to release  
and fetters break

The iron bar before him burst  
the cells foundations shakes

raise up raise up the standard jesus  
jesus across the land again

Heavens arches are ringing ringing ringing  
with his beloved name

Yesterday today forever the same  
Yesterday today forever the same

Yesterday today forever the same

Hear the glad sound the saviour comes  
the savior promised long

Let every heart prepare a throne  
and every voice a song

He comes the prisoners to release their chains  
and fetters break

The irons bars before him burst  
the cell foundations shake

Raise up raise up the standard jesus  
jesus across the land again

Heavens arches are ringing ringing ringing  
with his beloved name

Yesterday today forever the same  
Yesterday today forever the same  
Yesterday today forever the same

He come the broken hearts to bind  
the bleeding soul to cure  
And with the riches of his grace to bless  
the humble and poor

He turns the darkness  
into light he clears the mental ray  
And on the eye on the  
long closed in night he pours celestials day

Raise up raise up the standard jesus  
jesus across the land

Heavens arches are ringing ringing ringing  
with his beloved name

Yesterday today forever the same  
Yesterday today forever the same  
Yesterday today forever the same

Raise up raise up the standard jesus

jesus across the land again

Heavens arches are ringing ringing ringing  
with his beloved name

Yesterday today forever the same  
Yesterday today forever the same  
Yesterday today forever the same
