## **Truly**

## **Lionel Richie**

Girl, tell me only this That I have your heart for always And you want me by your side Whispering the words I'll always love youAnd forever I will be your lover And I know if you really care I will always be there Now I need to tell you this There's no other love like your love And I, as long as I live I'll give you all the joy My heart and soul can giveLet me hold you I need to have you near me And I feel with you in my arms This love will last foreverBecause I'm truly Truly in love with you girl I'm truly head over heels with your love I need you, and with your love I'm free And truly, you know you're alright with me
