

# Sweet Sweet Thing (acoustic Demo)

## Mpx

I finally met her parents on a Saturday night  
They gave me the eye wouldn't let me out of there sight  
They didn't like the looks of me right away  
They told me to go so I decided to stay My eyes were brown and my hair was blue  
Of course they had a problem with my tattoos  
I can't please everybody all the time  
So right now all I wanna do is make you mine Your my sweet sweet thing  
Your my sweet sweet thing  
Your my sweet sweet thing  
On top of everything Her dad asked what I did, I said, "I played in band"  
He said, "He hated devil music and he wasn't a fan"  
Musicians can't be trusted and your job is a joke  
I don't want my daughter spending her life broke Well, after that I didn't really know what to say  
So I said, "I think, I'll date your daughter anyway"  
I can't please everybody all the time  
So right now all I wanna do is make you mine Your my sweet sweet thing  
Your my sweet sweet thing  
Your my sweet sweet thing  
On top of everything So now I think it's time to make my way to the door  
But be sure tomorrow night that I'll be back for more  
I can't please everybody all the time  
So right now all I wanna do is make you mine Your dad can't stand me and your mom's in shock  
Your brother wants to kill me and your sister won't talk  
I got the whole dinner table talking 'bout my hair  
But I don't really care, it's just a family affair 'Cos your my sweet sweet thing  
Your my sweet sweet thing  
Your my sweet sweet thing  
On top of everything Your my sweet sweet thing  
Your my sweet sweet thing  
Your my sweet sweet thing  
On top of everything
