

So Sick

Brandy

1ST VERSE

I'm sick cause it's 4 in the morning, and
I'm sick 'cause I ain't heard from him
I done seen this flick before
G-g-g-ave him plenty warnings

He said he wouldn't do it againYou know my heart keeps telling me it's gone stop

Now there's a knock but the deadbolt's locked

My-my-my conscience is saying you can do better girl
Cause right now he ain't ready but the other side

of my head is saying that I might not find no betterSo many a-a-ask just how could you love somebody soooo
This feeling, this question I asked still has been unanswered

By just soooo, so many, yeahCHORUS

Sick when you take him back every time
cause the love is so amazing
Oh It makes you so sick

When it makes you go an compromise everything

You said the night before you wouldnt do (sick)

When you love him more than you love yourself

You cant let go cause you just cant help it

Cause the only thing left to do is cry

Cause deep inside it makes you so sickOoooooooooooooh

Dont sometimes it makes you so sick
Ooooooooooooooh

Dont sometimes it makes you so sick2ND VERSE

Of course hes calling me its 8:10 (in the morning)

But I aint gone be late for work again (I cant afford this)

Im pulling off, he pulls up (pulls up)

Theres something he wanna discuss (discuss).

Im telling him last night I was all ears

But he was nowhere to be found.

Told him last time that he made me feel this way

I wasnt gone be the one going back on my word.

I was just gone let it end

Cause obviously conversing aint working for me and you

Now Im back home in the bed missing the hell outta youuuuu.REPEAT CHORUSBRIDGE

How far, can you tell me how far

Someone has to push you over the line

For them to recognize they pushed you over the line (the line, the line)

Babbby how far, baby how far

Do you think Im gonna let you push me
Before I cross the line, before I cross the lineREPEAT CHORUS
