Stuck In The Middle

Keith Urban

Well, I don't know why I came here tonight
I got the feeling something ain't right
I'm so scared in case I fall off my chair
And I'm wondering if I'll get down the stairsYeah clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Stuck in the middle with youWell, I'm stuck in the middle with you
And I'm wondering what is I should do
It's so hard to wipe this smile from my face
Lose control and I'm all over the placeYeah clowns to the left of me, jokers to the right
Here I am, stuck in the middle with youWell, you started out with nothing
And you're proud, you're a self-made man
And your friends they all come crawling
Slap you on the back and say, "Please, oh please"
Oh noClowns to the left of me, jokers to the right
Here I amWell, you started out with nothing
And you're proud, you're a self-made man
And your friends they all come crawling
Slap you on the back and say, "Please, oh please"Well, I don't know why I came here tonight
I got the feeling something ain't right
I'm so scared in case I fall off my chair
And I'm wondering if I'll get down, get get down the stairsClowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Yes, I'm stuck in the middle with you
Stuck in the middle with you
Here I am, well here I am stuck in the middle with you
