

Other People

Beach House

(birds)

So you thought would happen
Good love goodbye
I know where no one can reach you
No I don't mind
it's your world, why would you you fake it
These days go by
As you turn around
Other people want to keep in touch
Something happens and it's not enough
Never thought that it would mean so much
Other people want to keep in touch
Heaven won't keep us together
Right place at the wrong time
It takes all kinds of weather
Distant new skies
Somewhere nothing can reach us
These days go by
As you turn around
Other people want to keep in touch
Something happens and it's not enough
Never thought that it would mean so much
Other people want to keep I touch
Was it ever quite enough? x5
