

# Pieces Of Me

Ledisi

People just don't know what I'm about  
They haven't seen what's there behind my smile  
There's so much more of me I'm showing now  
(These are the pieces of me) When it looks like I'm up sometimes I'm down  
I'm alone even with people all around  
But that don't change the happiness I found  
(Theses are the pieces of me) So when you look at my face  
You gotta know that I'm made  
Of everything love and pain  
These are the pieces of me Like every woman I know  
I'm complicated for sho'  
But when I love I love 'til there's no love no more  
These are pieces of me So many colors  
(That make up the woman that you see)  
A good friend and lover  
(Anything you want yes I can be)  
I can run the business and make time for fantasy  
(These are pieces of me) Now I'm gonna make mistakes from time to time  
But in the end believe that I'm gon' fly  
No matter if I'm wrong or if I'm right  
(These are the pieces of me) So when you look at my face  
You gotta know that I'm made  
Of everything love and pain  
These are the pieces of me Like every woman I know  
I'm complicated for sho'  
But when I love I love 'til there's no love no more  
These are the pieces of me Oh as the pieces of me start to unfold  
Now I start to understand all that I am  
A woman not afraid to be strong, strong So when you look at my face  
You gotta know that I'm made  
Of everything love and pain  
These are the pieces of me Like every woman I know  
I'm complicated for sho'  
But when I love I love 'til there's no love no more  
These are the pieces of me I'm a woman  
A woman  
A woman  
Woman  
Woman Yes I'm a woman

A woman  
These are the pieces of me
