

So Close

[Jon McLaughlin](#)

 You're in my arms, and all the world is calm
 The music playing on for only two
 So close together and when I'm with you
 So close to feeling alive A life goes by, romantic dreams will stop
 So I bid mine goodbye and never knew
 So close was waiting, waiting here with you
And now forever I know, all that I wanted to hold you so close So close to reaching that famous happy end
 Almost believing this was not pretend
 Now you're beside me, and look how far we've come
 So far we are so close Oh, how could I face the faceless days
If I should lose you now? Were so close to reaching that famous happy end
 And almost believing this was not pretend
 Let's go on dreaming for we know we are
 So close, so close and still so far
