

Femme Fatale

Lou Reed

Here she comes you better watch your step
She's going to play you for a fool, it's true
It's not hard to realize
Just look into her false colored eyes
She'll build you up to just put you down
What a clownCause everybody knows
The things she does to please
She's just a little tease
See the way she walks, hear the way she talksYou're written in her book
You're number thirty-seven have a look
She's going to play you for a fool, it's true
Little boy on the street
Before you start you're already beat
She's going to smile to make you frown
What a clownCause everybody knows (she's a femme fatale)
The things she does to please (she's a femme fatale)
She's just a little tease (she's a femme fatale)
See the way she walks, hear the way she talks
