

Keep on Chooglin'

Creedence Clearwater Revival

[Chorus:]

Keep on chooglin'

Keep on chooglin'

Keep on chooglin'

Chooglin',

Chooglin'. Maybe you don't understand it.

But if you're a natural man,

You got to ball and have a good time

And that's what I call chooglin'. Here comes Mary lookin' for Harry,

She gonna choogle tonight.

Here comes Louie, works in the sewer, He gonna choogle tonight. [Chorus] (primal screaming) [Chorus] If you can
choose it, who can refuse it,

Y'all be chooglin' tonight.

Go on, take your pick, right from the git go,

You gotta choogle tonight. [Chorus] (more screaming) Oh, we're Creedence!

Clearwater!

Revival!
