

I Believe

Seventh Day Slumber

Well, I'm living with a power
And I have never felt this way before
Oh, my mind is thinking clearly now
The chains are broken and I'm standing tall
Oh, the Lord has never left me
He's always there to catch me when I fall
I believe in Jesus
Oh, he's Lord of Lords and King of Kings
And I believe in Jesus
He rescued me
It really wasn't long ago
That I was bound by chains and trampled on
I felt like all my days were numbered
I felt so all alone but I was wrong
Oh, the Lord has never left me
He's always there to catch me when I fall
I believe in Jesus
Oh, he's Lord of Lords and King of Kings
And I believe in Jesus
He rescued me
That's where I find my strength falling down like rain
It washes over me
He's taken me so far from where I used to be
He's my everything
That's why I believe in Jesus
Oh, he's Lord of Lords and King of Kings
And I believe in Jesus
He rescued me
I believe in Jesus
Oh, he's Lord of Lords and King of Kings
And I believe in Jesus
He rescued me
