

No Sense

Cat Power

Do you remember, do you remember
That night at context
Making up shit like we were animals We made no sense, no sense
We had no sex Can you see, can you see, can you see
Can you see, can you see, can you see
The moon is so hollow What's the use, when I can see right through you
What's the use All the hearts that touch your cheek
How they jump, they move, they embarrass
All the hearts that touch your cheek
How they jump, they move, they embarrass They make no sense, no sense, no sense
No sense, we had no sex
