

# Caught In the Middle

[Stryper](#)

You've been workin' hard  
Tryin' to make your life appealing  
You've got no regard  
You don't know what the hell you're feeling You've got everything, live like a kink  
But how will you live tomorrow?[Chorus]  
You're caught in the middle  
And you don't know where to go  
Turn it around, come back to the ground  
Before you break and lose control Are you here at all  
Or are you at the point of no return  
You've got to make a call  
You've got to make a choice before you get burned You've got what it takes, make no mistakes  
Don't live your life in sorrow [Chorus] You've got everything, live like a kink  
But how will you live tomorrow? [Chorus]
