

# More Than Amigos

Jesse & Joy

SÃ³lo dÃ©jate llevar To me you seem so familiar  
Feels like, you've been around for a while  
As if we meet for the first time  
And I could keep on talking all night Somethings make me think out loud  
Or could it just be the mezcal, oh Let's be more than amigos, come on  
You're so much more than friend  
I could get crazy contigo, oh  
Don't make me say this again CorazÃ³n, lose your heart into the rhythm  
SÃ³lo dejate llevar  
On and on, lose your heart into the rhythm  
Que te vas a enamorar My head is telling me one thing  
My heart is asking me why  
But my gut keep saying let's give it a try I'm floating up above the clouds  
And somethings make me think out loud  
Words are slipping from my mouth  
Or could it just be the mezcal, oh Let's be more than amigos, come on  
You're so much more than a friend  
I could get crazy contigo, oh  
Don't make me say this again CorazÃ³n, lose your heart into the rhythm  
Solo dÃ©jate llevar  
On and on, lose your heart into the rhythm  
Que te vas a enamorar (All night long) Let's be more than amigos, come on  
You're so much more than a friend  
I could get crazy contigo, oh  
Don't make me say this again Let's be more than amigos, come on  
You're so much more than a friend  
I could get crazy contigo, oh  
Don't make me say this again  
CorazÃ³n
