

Judas

Vince Viano

ere was a man
Who thought that He would be the one to ruin the plan
To save us all from Sin if able
He would give his word and then Heâ€™d stab you in the back
But still heâ€™s sitting at the dinner ta- ble
 Running around
 Heâ€™s running his mouth
 Heâ€™s telling them all
 Weâ€™re taking a fall
And keeping everything to himself You know in the end
 Heâ€™s killing his friend
 ereâ€™s no other way
 Heâ€™s gonna betray
And put the blame on somebody else
So donâ€™t be Judas Nobody likes him
 If you do this

It will be frightening So donâ€™t be Judas Heâ€™s got a big mouth Heâ€™s dissing Jesus Heâ€™s in the dog house
 Judas
ere was a guy who thought that he could be the one
To scheme and lie while acting on his best behavior
 He would fool us all
 And take the other side
But now heâ€™s going against e Holy Savior
 Running around
 Heâ€™s running his mouth
 Heâ€™s telling them all
 Weâ€™re taking a fall
And keeping everything to himself You know in the end
 Heâ€™s killing his friend
 ereâ€™s no other way
 Heâ€™s gonna betray
And put the blame on somebody else
So donâ€™t be Judas Nobody likes him
 If you do this

It will be frightening So donâ€™t be Judas Heâ€™s got a big mouth Heâ€™s dissing Jesus Heâ€™s in the dog house
 Judas

He has betrayed us all So we canâ€™t forgive him is is a lesson to us all
