

Sweet Lie

Clare Maguire

If I see you again, will you remember me?
If I see you again, will you paint memories?
Three long years, never fly away
Three small words, speak againOut of sight, out of mind
What a sweet lie, what a sweet lie
Out of sight, out of mind
What a sweet lie, what a sweet lieIf I see you again, will you understand?
If I see you again, this was not my plan
Three long years, never fly away
Three small words, speak againOut of sight, out of mind
What a sweet lie, what a sweet lie
Out of sight, out of mind
What a sweet lie, what a sweet lieThree long years, never fly away
Three small words, please speak againOut of sight, out of mind
What a sweet lie, what a sweet lie
Out of sight, out of mind
What a sweet lie, what a sweet lieIf I see you again, will you remember me?
