

# Silver Stallion

## Cat Power

I'm gonna steal a silver stallion  
With not a mark upon his silky hide  
And teach him he can trust me like a sister  
One day we'll saddle up and ride And we're gonna ride, we're gonna ride  
Ride like the one-eyed Jack of Diamonds  
With the Devil close behind  
We're gonna ride, we're gonna ride I'm gonna find me a reckless man  
Razor blades and ice in his eyes  
Just a touch of sadness in his fingers  
Thunder and lightning in his thighs And we're gonna ride, we're gonna ride  
Ride like the one-eyed Jack of Diamonds  
With the Devil close behind  
We're gonna ride, we're gonna ride I'm gonna chase the sky forever  
With the man, the stallion and the wind  
The sun is gonna burn into a cinder  
Before we ever pass this way again And we're gonna ride, we're gonna ride  
Ride like the one-eyed Jack of Diamonds  
With the Devil close behind  
We're gonna ride, we're gonna ride
