The Heart

Jimmy Gnecco

fall down from fighting please, put down your gun, put down your gun
Don't have to see you bleed, pretend you're dumb, pretend you're dumb
Walking beside you dreaming, when you were young, when you were young
what did you want to be? when you were young, when you were youngIn the end you know your just like me
we're in the dark, we're in the dark
in the end you know you're just like me
your eyes, your eyes, your eyesit's burning through your soul now it's burning through your soul
it's burning through your soul now it's burning through your soul
cover your eyes, your eyes your eyesthe more that you'd fought you'd bleed, because you were caught, you were caught
in all that you thought you'd need but you were wrong, you were wrong
in the end you know you're just like me
your eyes, your eyes, your eyes
it's burning through your soul now it's burning through your soul
it's burning through your soul now it's burning through your soul
cover your eyes, your eyes your eyesyour eyes, your eyes your eyes
it's burning through your soul now it's burning through your soul
it's burning through your soul now it's burning through your soul
cover, cover lie down and coverthere will be days when you struggle to say
everything that you may have in your heart
and all that you say pulls you further away
from the heart, the heart
and all of this all of this alli gave you all, gave you all, gave you all, gave you all of mine
i gave you all, gave you all, gave you all, gave you all of mine
when the hand pulls you down, when the band slows you down
and you can't hear the sound of your head
there's a hand reaching out, there's a man reaching down
take the hand and pull yourself out
your eyes, your eyes
don't let it hurt your soul, don't let it hurt your soul
your eyes, your eyes
I'm gonna let it pick me up, I'm gonna let it pick me up
