Boots Like These

Ben Harper

Tonight, I'm gonna lose my mind
Tonight, I hope I lose my mind
Tonight, I'm trying to lose my mind
Tonight, we're gonna live forever
Easy come, easy go
Get in where you fit in
Gotta slow your roll
Tonight, I wanna lose my mind
Tonight, I'm trying to lose my mind
Tonight, I hope I lose my mind
Tonight, we're gonna live forever
Tonight, we're gonna live forever
Never pretend to be a gambler
Smoke from your lips
Fire from your hips
She's just a slow walking woman
Tonight, I'm trying to lose my mind
Tonight, I need to lose my mind
Tonight, I'm trying to lose my mind
Tonight, I'm gonna lose my mind
Never pretend to be a gambler
I gotta get out from inside my head
I gotta get out from inside my head

I gotta get out from inside my head
Gotta get out from inside my head
Gotta get out from inside my head
You doubled the dose and I ran outta rope
It's me and you against the world
You doubled the dose and I ran outta rope
It's me and you against the world
You gotta live my life to get boots like these
You gotta live my life to get boots like these
You gotta live my life to get boots like these
You gotta live my life to get boots like these
Tonight, I need to lose my mind
Tonight, I'm trying to lose my mind
Tonight, I hope I lose my mind
Tonight, we're gonna live

Tonight, we're gonna live
Gonna live forever
I hope I lose my mind
I'm just trying to lose my mind
I'm just trying to lose my mind
Tonight, I hope, tonight, I'm trying
I'm trying to lose, lose my mind
