What D'you Say?

The Go! Team

All the Sundays I never had
Well I'm making up for it
All the chances I never grabbed
Well I'm making up for it now
Ooh, is there really no way to know
Ooh, if the memory doesn't call
Honey all the hours I laid in bed
Well I'm making up for it
Lock the living to you instead
Well I'm making up for it now
Ooh, is it really so hard to see
Ooh, if the one is alright with me
It's something forgotten
There's something right
Over and over, out of sight
Building me, try again every day
Ahh, anyway
Ahh, what d'you say?
Honey all the fires I never took
Well I'm making up for it
Let society off the hook
Well I'm making up for it now
Ooh, is there really no way to know
Ooh, if the memory doesn't call
It's something forgotten
There's something right
Over and over, out of sight
Building me, try again every day
Ahh, anyway
Ahh, what d'you say?
It's something forgotten
There's something right
Over and over, out of sight
Building me, try again every day
Ahh, anyway
Ahh, what d'you say?
Ahh, anyway
Ahh, what d'you say?
Ahh, anyway

Ahh, what d'you say?
Ahh, anyway
Ahh, what d'you say?
Ahh, anyway
Ahh, what d'you say?
Ahh, anyway
