Here's To Life

Shirley Horn

Here's to life

No complaints and no regrets
I still believe in chasing dreams and placing bets
But I had learn that all you give is all you get
So give it all you got

I had my fill and drank my share
And even though I'm satisfy I always still
To see what done on other road behind the hill
And do it all again

So here's to life
And every joy it brings
So here's to life
To dreamers and their dreams

Honey, all the times just climes
A love can go from more hellos to sad goodbyes
And live you with the memories you memorized
To keep your winters warm

There is no yes in yesterday
And who knows what tomorrow brings or takes away
As long as I'm still in the game I want to play
For last, for life, for love

So here's to life
And every joy it brings
Here's to life
To dreamers and their dreams

May all your storms be weathered
And all that's good get better
Here's to life, here's to love, here's to you

May all your storms be weathered
And all that's good get better
Here's to life, here's to love, here's to you
