Fink

Brooke Waggoner

Show me how to find a better way
Cause I can do it over again
Show me what to do and what to say
Don't wanna be a fraud, a fink, a strayShine you little stars
Light the face of dark
Shine you little stars
Keep me in your sights
'ever in the lightTake me from the pain of all I know
I wanna do it over again
Tempest in a teacup, overblown
Don't wanna be a fraud, a fink, a foe
Shine you little stars
Light the face of dark
Shine you little stars
Keep me in your sights
'ever in the light
