

Shelter from the Storm

Joshua Hyslop

Twas it another lifetime
One of toil and blood
And blackness was a virtue
And the road was full of mud

I came in from the weatherness
A creature void of form
Well come in, she said
I'll give you shelter from the storm
Well come in, she said
I'll give you shelter from the storm

And if I pass this way again
You can rest assured
I'll always do my best for you
On that I give my word
The world is steal and death and men
Fighting to be warm
Well come in, she said
I'll give you shelter from the storm
Well come in, she said
I'll give you shelter from the storm

Not a word was spoke between us
There was little risk involved
Everything up until that point
was left unresolved
Try imagining a place that is always safe and warm
Well come in, she said
I'll give you shelter from the storm
Oh, come in, she said
I'll give you shelter from the storm
Oh, come in, she said
I'll give you shelter from the storm
