

# Believe

[Dima Bilan](#)

Even when the thunder and storm begins  
I'll be standing strong like a tree in the wind  
Nothing's gonna move this mountain  
Or change my direction I'm falling off that sky and I'm all alone  
The courage that's inside is gonna break my fall  
Nothing's gonna dim my light within But if I keep going on  
It will never be impossible  
Not today 'Cause I've got something to believe in  
As long as I'm breathing  
There is not a limit to what I can dream  
'Cause I've got something to believe in  
Mission to keep climbing  
Nothing else can stop me if I just believe  
And I believe in me Even when the world tries to pull me down  
Tell me that I can try to turn me around  
I won't let them put my fire out  
Without no But if I keep going on  
It will never be impossible  
Not today 'Cause I've got something to believe in  
As long as I'm breathing  
There is not a limit to what I can dream  
'Cause I've got something to believe in  
Mission to keep climbing  
Nothing else can stop me if I just believe  
And I believe I can do it all  
Open every door  
Turn unthinkable to reality  
You'll see I can do it all and more Believing  
As long as I'm breathing  
There is not a limit to what I can dream  
'Cause I've got something to believe in  
Believing  
Mission to keep climbing  
Nothing else can stop me if just believe  
And I believe me
