

# Cowboy

## Lindemann

Since I was a kid I had this dream  
I want to be a tough guy, wild and mean  
Flying bullets, flying fists  
Born to ride and to be kissed Cowboy Cowboy he can ride  
Any horse and any bride  
Cowboy Cowboy  
Comes to town  
Beat you up and shoot you down I wear my blue jeans very tight  
Please the ladies every night  
They put money in my hat  
Makes their husbands so upset Cowboy Cowboy he can ride  
Any horse and any bride  
Cowboy Cowboy  
Comes to town  
Beat you up and shoot you down Cowboy Cowboy never die  
Feels no pain never cries  
Cowboy you get all the chicks  
Big big horses and big dicks Was never wild was never mean  
Never joined the cowboy scene  
I just ride my rocking chair  
Hide my teeth in tupperware Cowboy Cowboy this is sad  
Vomit in your cowboy hat  
Cowboy Cowboy  
This is fun  
Lost the bullets fuck your gun  
Cowboy Cow oh boy we die  
every night I have to cry  
Cowboy Cowboy what a prick  
Drunken horse and shrunken dick
