

Katie Miss

G. Love

Dear Katie, I'll miss you when I am on the road
But I'll write you a letter, and I'll seal it with a kiss
I miss you, Katie Miss
I miss holding you, in the starry starry skies
But I'll dream of you instead, while the moon is shining bright
I miss you, Katie Miss

-solo--

Dear Katie I'll miss you when I'm so far away
But I'll sing you a song so you know my heart won't stray
I miss you my Katie Miss
And when our time is gone, and gone is sorely past,
I'll remember to the days that I said would always last
I miss you, my Katie Miss
I miss you, my Katie Miss
I miss you, my Katie Miss
