Lift Me Up

Bee

Reel - Lift Me Up
In the still of the dark of the night,
There's a place I call mine,
See the lights on the town,
I'm looking down.
Yeah the moon is out tonight,
Turn around, look up, see it smile,
Feel the wind in your hair,
I'll take you there.
Lift me up when,
I needed a friend,
Lift me up,
When I'm close to the edge.'
Cos it all comes round in the end,
And I'll lift you up when you need a friend.
Lift me up bada-baduh bada-baduh,
Lift me up bada-baduh bada-baduh.
I've been down I've been out of my mind.
I've was there and I konw what it's like.
Like the fool on the hill I'm standing still.
So come with me to my hideaway,
Lay you down in my arms again,
Feel the wind in your hair,
I'll take you there.
You lift me up,
When I needed a friend,
Lift me up,
When I'm close to the edge.'
Cos it all comes round in the end,
And I'll lift you up when you need a friend.
So come with me to my hideaway,
Lay you down in my arms again,
Feel the wind in your hair,
I'll take you there.
You lift me up,
When I needed a friend,
Lift me up when,
I'm close to the edge.'
Cos it all comes round in the end,

And I'll lift you up when you need a friend.
Lift me up bada-baduh bada-baduh,
Lift me up bada-baduh bada-baduh,
Lift me up bada-baduh bada-baduh,
Lift me up bada-baduh bada-baduh.
Lift me up,
When I needed a friend,
Lift me up,
When I'm close to the edge.'
Cos it all comes round in the end
And I'll lift you up when you need a friend
You lift me up.
Lift me up.'
Cos it all comes round in the end,
And I'll lift you up when you need a friend.
You lift me up,
You lift me up,
You lift me up,
You lift me up.'
Cos it all comes round in the end,
And I'll lift you up when you need a friend.
