

Snakeskin Cowboys

Ted Nugent

Ooh, snakeskin cowboys
Who the hell you think you are
You're dancin' around with your high-heeled boots
Don't think that should get you far
Just hangin' around with your fancy pants on
Ain't got nothin' on me
Thinking you got it right here on the stage
Stick around boys, maybe I can set you free
Snakeskin cowboys
Who the hell you think you are
You're dancing around with your best pants on
Don't think that should get too far
Just hangin' round with your high-heeled sneakers and
Dancin' all round the stage
Well, stick around boys I got some news
I'm gonna set you, I'm gonna set you free
Snakeskin cowboys
Who the hell you think you are
You're prancin' around with your high-heeled boots
Don't think that should get too far, no-o
Snakeskin fly-byes
Who the hell you think you are
Just hangin' round with your fancy pants on
Ain't got-a nothin' on me
Thinkin' you have a right, here on my stage
Stick around boys, maybe I can set you free
Snakeskin cowboys
Who the hell you think you are
Just strutting around with your fancy hairdos
I know you'd like to be a star no-no
Snakeskin cowboys
Who the hell you think you are
Dancing around with your high-heeled boots
Don't think that should get too far
Oh, snakeskin fly-byes
Who the hell you think you are
Just dancin' around with your best pants on
Ain't gonna get too far
Oh, snakeskin cowboys
