

First Day Out

Chief Keef

Im Starting off my day with a blunt of earth
lookin myself up, see how much im worth
im ridin down the block in a silver porsche
that bitch already know that imma flirt
im back off in the stu working on some new
you get 8 bars for 10, 12 of that times 2
50 for a show, 20 for a verse
as soon as im done im counting like a nerd
my baby need some new and she get it first
imma be sober real soon so i need some earth
i hop up out that rari with a louie bag
And if a nigga try an front i do his ass
i count a million dollars in my mansion,
hoes everywhere i got bitches dancing
choppas in the closet, pounds in the den
we got them 30's on us, meet they minnie men
