Away In Silence

Creed

You walked away in silence
You walked away to breathe
Stopped and turned around to say goodbye to me
I'm pleading as your leaving, I'm begging you stay
I'm not the man I used to be, I've changed
I'm not the man I used to be, I've changed
Don't give up on us, don't give up on love
Don't give up on us, don't give up on love
If my life is the price then my life it will cost
Now that I'm picking up the pieces
See the pain that I have caused
It's hard to believe in someone you thought was lost
Don't give up on us, don't give up on love
Don't you walk away in silence
In tears you counted reasons
Tears covered you it seemed
Face down screaming, "God help me please"
I'm pleading as your leaving, I'm begging you to stay
I'm not the man I used to be, I've changed
I'm not the man I used to be, I've changed
Don't give up on us, don't give up on love
Don't give up on us, don't give up on love
If my life is the price then my life it will cost, it will cost my life
Now that I'm picking up the pieces
See the pain that I have caused
It's hard to believe in someone you thought was lost
Don't give up on us, don't give up on love
Don't you walk away in silence
Please come back to me
Don't you walk away in silence
I'm not the man I used to be
Well, I pray that tomorrow you'll be home
(We can rebuild and forever we can go on, go on, go on)
We can go on
(Well, I pray that tomorrow you'll be home)
Look at horizons and let the light bring you home, home
Bring you home
Don't give up on us, don't give up on love
Don't give up on us, don't give up on love

If my life is the price then my life it will cost, it will cost my life
Now that I'm picking up the pieces
See the pain that I have caused
It's hard to believe in someone you thought was lost
Don't give up on us, don't give up on love
Don't walk away in silence
Please don't walk away
Don't you walk away in silence
I'm not the man I used to be
