

Creme Brulee

Sonic Youth

Aoo, woo, haa, haa
Ridin' down the road it nearly struck me blind
You and me are burnin' in the summertime
Let's go find some shady ground
Gotta get rid of that king hell throng
You and me are burnin' in the summertime
You and me are burnin' in the summertime
Scrape, scrape, scrapin' melted cheese
Say I love you, later please
You and me are burnin' in the summertime
You and me are burnin' in the summertime
Dark spots floatin' in front of my eyes
Mom said she turned it on 'em squattin' flies
You and me are burnin' in the summertime
You and me are burnin' in the summertime
Last night I dreamed I kissed Neil Young
If I was a boy I guess it would be fun
You and me are burnin' in the summertime
You and me are burnin' in the summertime
Don't you know a city where the horses grow
Green malls hangin', chillin' crows?
You and me are burnin' in the summertime
You and me are burnin' in the summertime
I said it before and I'll say it again
I'm so happy we're just friends
