Time After Time

Liane Carroll, Brian Kellock

Lying in my bed I hear the clock tick and think of you
Caught up in circles, confusion is nothing new
Flashback, warm nights, almost left behind
Suitcase of memories time after
Sometimes you picture me I'm walking too far ahead
You're calling to me, I can't hear what you said
And then you say go slow, I fall behind
The second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
After my pictures fade and darkness has turned to gray
Watching through windows you're wondering if I'm okay
Secrets stolen from deep inside, the drum beat's out of time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
You say go slow, I fall behind
The second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I will be waiting
Time after time
If you're lost you can look and you'll
Really, really, really, really find me time after time
Whoa, if you fall I will catch you, I'll be waiting
Time after time
Say, if you're lost you can look and you
Really, really, really, really, really, really, find me

Hey, if you fall I will catch you, I'll be waiting
Time after time
Say, time after time, how long, how long
Time after time, how long will I love?
Time after time, how long, how long?
Time after time, how long, how long?
Time after time, I'll be loving you always
I'll be loving you always, I'll be loving you always
I'll be loving you always, I'll be loving you always
