Endgame

Megadeth

Attention, attention, all citizens are ordered

To report to their district detention centers

Do not return to your homes, do not contact anyone

Do not use any cellular or GPS devices

Surrender all weapons at once

Attention, this way to the campsI woke up in a black FEMA box

Darkness was all around me in my coffin

My dreams are all nightmares anymore

And this is what I dream every nightThe leader of the new world order, the President of the United States

Has declared anyone now residing inside the U.S. of A

Without the RFID chip, you're just an illegal alien

An enemy combatant of America

Welcome to the new world orderThis is the end of the road

This is the end of the line

This is the end of your life

This is the We're society in a society

Where inside the fence, life as you know it stops

They got their rules of conduct, and we got ours

Be quick or be dead, you crumble up and die

The clock is ticking so slowly, and so much can happen in an hour This is the end of the road

This is the end of the line

This is the end of your life

This is the endgameWell, I learned my lessons the hard way

Every scar I earned I had to bleed, inside the day yard

A system of controlled movement like a giant ant farm

Any time is a long time, now you're not in charge of your time anymore This is the end of the road

This is the end of the line

This is the end of your life

This is the endThe ex-President signed a secret bill

That can land a legal U.S. citizen in jail

And the Patriot Act stripped away our constitutional rights

They say a concentration camp just popped up, yeah, rightRefuse the chip? Ha, get persecuted and beat

By the tyranny of mind control for the mark of the beast

All rights removed, you're punished, captured, and enslaved

Believe me when I say, "This is the endgame"
