

With This Ring I Thee Wed

[Hank Snow](#)

With this ring I Thee wed an angel here beside me
A moment more and heaven will be mine
With this ring I Thee wed as every dream inside me
Comes true each time I hear the church bells chime
This little band of gold I hold will soon be on your finger
A vow and now that moment so divine
With this ring I Thee wed and make you mine forever
To have and to hold until the end of time
With our hearts tied as one, we leave the church together
Together as we know we'll always be
In a life just begun this day will live forever
Like blossoms in a treasured memory
Your big bouquet may fade away but as the years go by, dear
I'll take your hand each day and say anew
With this ring I Thee wed, I vow I love you truly
And every day you'll hear me say, "I do"
