

Wasted

Zebrahead

Gotta get up, gotta open my eyes
I'm swimmin through this haze
It's been around me for days
Don't wanna come down, but you were always around
And everyone's so strange
There's nothing that they can change
Take my hand, show me how this all fits
It's your plan
Understand, that I don't need you
I just need to feel, how does it feel?
To crush the world in two one last time
'Cuz I'm so wasted
Feel, how does it feel?
To scream without a sound, one more time
'Cuz I'm so wasted
Get me away, I'm thinkin' maybe someday
I'll find out who I am
But you don't give a damn
I'm closin' my eyes, It's all the same to me
And what I don't want to know
Is what I'm not gonna see
Take my hand, show me how this all fits
It's your plan
Understand, that I don't need you
I just need to feel how does it feel?
To crush the world in two one last time
'Cuz I'm so wasted
Feel, how does it feel?
To scream without a sound, one more time
'Cuz I'm so wasted
Watch the world stop, I drop, put my finger on it
Thinking back to the day you said
I could get up on it
Say that you have changed, I'm the same
Just a little loaded, comin' in out of phase
Lost my place now, I know, I've blown it
Fall into a sea of your distress and I confess
That I take less than your best
But you don't wanna give away today

Blue sky grey, nothing that you say
Take another trip, take another fall
Take it all away
Take my hand, show me how this all fits
It's your plan
Understand, that I don't need you
I just need to feel how does it feel?
To crush the world in two one last time
'Cuz I'm so wasted
Feel, how does it feel?
To scream without a sound, one more time
'Cuz I'm so wasted
