## 5th Element

Because You Love Me  
I Can Look With Quiet Faith  
Beyond Life's Lightning Flash  
And Thunder Roll  
And Glimpse The Rainbow Arch  
Like Some Angelic Wraith  
While Impatient Years Exact Demanding Toll  
Because You Love Me  
My Soul Can Soar With Eagle Wings  
Above My Crowding Failures  
And Disenchanted Deed  
Explore Beyond Life's Sunset  
Where The Heavenly Choir Sings  
Climb Nobly To The Summit  
Where Love Alone Can Lead  
Because You Love Me  
You May Still Perchance Forgive  
  
Young Love's Towering Expectations  
Laid Now To Rest  
Those Unfulfilled Dreams  
Which Somehow Still Must Live  
Cloistered Beneath The Portals  
Of A Matron Breast  
Because You Love Me  
Milestones Are Like Jewels Fair  
Priceless Treasures  
From God's Sacred Vault Of Time  
I Thank You For The Beauty  
And Meaning In The Life We Share  
And Praise God For The Blessing  
Of This Love Sublime
