

# T.O.N.Y. (Zoned Out Hard Electro Mix)

## Solange Knowles

Tony don't call no more  
Don't have it on more  
Maybe there is something wrong with his phone  
Maybe it's mornin' and the thrill is gone And I'm not sure  
That I'm still respected  
And I'm not in a rush  
To fill rejected, not by Tony Tony don't care no more  
He doesn't want me there no more  
I just want to know what I did wrong  
Damn, this would make a real good song I don't have these nights too often  
I wish I could take my mind off him  
But I really like Tony And he wasn't just some regular guy  
Tony, actually the other night, oh why? I could've been in love by now  
If it wasn't for Tony  
I could've been in love by now  
If it wasn't for Tony Me and Tony don't speak no more  
It almost been a week, oh no  
My how time goes so fast  
But I still refuse to call his ass I remember the way that I reacted  
And today is even more attractive  
But I really miss Tony Then Tony call me one day  
He said that he just called to say, hey  
And it wasn't until he called me back  
That I realized I needed more than that  
I'm a love wiser and a little older  
Hey baby, it was nice to know ya, good bye, Tony Still he wasn't just some regular guy  
Tony actually the other night, oh why? I could've been in love by now  
If it wasn't for Tony  
I could've been in love by now  
If it wasn't for Tony I don't go with yesterday no more  
Now I'm feeling free  
(I'm feeling free)  
Today and tomorrow told me (What they said?)  
That's where I should be  
That's where I should be (So I'm moving)  
I'm moving  
(So I'm moving on)  
I'm going, can't wait forever  
(I'm moving on) I'm going

(So I'm moving on)  
I'm leaving  
I miss you, baby Still he wasn't just some regular guy  
Tony is actually the other night If it wasn't for Tony
