Take the World On

[2NE1](#)

You know I love you, love you
You know I love you babe
You know I need you need you
I need you everydayYou know I love you, love you
You know I love you babe
You know I need you need you
I need you everydayWhen you feel like you're falling
I will run to you baby, I will runoh
We'll take the world

oh

We'll take the world on on on on onI like the way you love it
how it makes me feel
you got me on a high up. in the sky for real
can no body love me like the way you do
you're one ....
i'm so into you
baby you're the one i want to end up with
grow old together
go on different trips
lets take a flight
go for a ride
yo baby you and i
lets go multiplyYou know I love you, love you
You know i love you babe
You know i need you need you
I need you everyday
You know I love you, love you
you know i love you babe
you know i need you need you
I need you everyday
when you feel like you're falling
i will run to you baby, i will run run..oh.we'll take the world
we'll take the world on on on on on
we'll take the world on on on on on
