

# Girls (feat. Run DMC)

## Beastie Boys

Girls, all I really want is girls  
And in the morning it's girls  
'Cause in the evening it's girlsI like the way that they walk  
And it's chilly to hear them talk  
And I can always make them smile  
From White Castle to the NileBack in the day  
There was this girl around the way  
She liked by home-piece M.C.A.  
He said he would not give her play  
I asked him, please?, he said, you may  
Her pants were tight and that's O.K.  
If she would dance, I would D.J.  
We took a walk down to the bayI hope she'll say,  
Hey me and you should hit the hay  
I asked her out, she said, no way  
I should of probably guessed their gay  
So I broke north with no delay  
I heard she moved real far away  
That was two years ago this May  
I seen her just the other day  
Jockin' Mike D. To my dismay
