

# Represent

## Lecrae

[Chorus]

Represent! Get Krunk! Represent! Get Krunk!  
If you know you're repping Jesus go ahead and throw it up  
Represent! Get Krunk! Represent! Get Krunk!  
If you know you're repping Jesus go ahead and throw it up  
Represent! Get Krunk! Represent! Get Krunk!  
If you know you're repping Jesus go ahead and throw it up  
Represent! Get Krunk! Represent! Get Krunk!  
If you know you're repping Jesus go ahead and throw it up

I know this might be a shock but, I'mma blow your spot up  
Truthfully in Grace and out of Love, ain't trying to pop stuff  
Heard ya pops locked up  
Baby sister's knocked up  
All your old boys from the block are getting shot up  
I feel your pain homey, I got the same story  
But since you came to Christ you got to bring His name Glory  
No more living in the darkness, no more living heartless  
'Cause you got that Holy Spirit dwelling inside your carcass  
Your life's been changed up, rearranged up  
You've been reborn and you don't have to do the same stuff  
You live regenerate, you get the benefit of Christ crucified  
But you got to live in it, God is preeminent  
And forgiveness is unlimited, but stop and

[Chorus]

From the flats to the drops to the burbs  
Calling out to the cats who be dropping the word  
Who be representing Christ, Not ashamed to share his life  
Catching flack for his props in the world  
To the cats that represent Him well while putting the Cross on the move  
As they reaching for the cats who  
Steppin into hell while they flossing new shoes  
Packin gats and flossin new coupes  
Making hoodrats doin' the do, acting a fool  
But the jigga that figures pullin the trigger  
With vigor can make him bigger needs to get in with the Cox Grave Digger  
'Cause you live a life sin thats the wages of death

If you livin by the gun that's the way into debt  
But if you living the life and living it right  
Put your fist in the sky with all of your might  
Til you way out of breath, chest pumping all hard due to heavy palpitations  
Thirsting for the Lord with Heavy salivation  
But you ain't fraud you'll pull a sinners card  
'Cause you love the Lord and His habit of salvation repping like Steven  
Getting stoned for the stone you believe in  
Or slinging the stone into the dome of the heathen Philistine men

[Chorus]
