

Travelin' Blues

Blind Willie McTell

Let a poor man ride the blind
Said I wouldn't mind it fellow
but you know this train
ain't mine You's a cruel fireman, lowdown engineer
I'm trying to hobo my way
and you leave me standing
here Get up fellow
ride all around the world
Poor boy
you ain't got no girl I love you Emery
I love you true
I love you Emerald
tell the world I do
