Pretty Penny

Stone Temple Pilots

Have you seen your mother girl?
Has she gone away?
Gone away and found the pearl
But the price she paid
Gone when you wake in the morning gone
When you find that there's no one sleeping gone
Pretty penny was her name
She was loved and we all will miss her
How far will you go I say
Just to bait a mouse?
Shorter lived and longer gone
Can you figure out?
Gone when you wake in the morning gone
When you find that there's no one sleeping gone
Pretty penny was her name
She was loved and we all will miss her
Have you lost your sister girl?
She's all but blown away
Blown away and lost the pearl
And the price she paid
Gone when you wake in the morning gone
When you find that there's no one sleeping gone
Pretty penny was her name
She was loved and we all will miss her
