

Your Turn

Common Kings

Ooh, you could keep me goin' all night long
And ooh, I bet the neighbors hear you scream and moan
Ooh, ooh, it's like you practice all the things I like
And ooh, but baby it's your turn tonight

Ima make your body shake, love when you make that face
Biting on your lip 'cause you're trying not to 'l too soon, ey
Let me come and give it to you
'Cause you always gonna do me right
Baby it's you
It's your turn tonight
Sit back and just relax, don't ask no questions
All you gotta do, is let me give it to you
Baby, it's your turn tonight

Ooh, no one's got a body like you do (like you do, babe)
And ooh, I'll make sure to take my time with you
'Cause that's what you li-i-i-i-ike
Yeah that's what you li-i-i-i-i-ike
And ooh, but baby it's your turn tonight

Ima make your body shake, love when you make that face
Biting on your lip 'cause you're trying not to 'l too soon, ey
Let me come and give it to you
'Cause you always gonna do me right
Baby it's you
It's your turn tonight
Sit back and just relax, don't ask no questions
All you gotta do, is let me give it to you
Baby, it's your turn tonight

Oh, na na na na na na, I know you want it (want it, want it), ey
Na na na na na na, come push up on it (on it, on it), oh-oo-oh
Oh, na na na na na na, I know you want it, and you need it, yeah
Na na na na na na, let me come and give it to you
(na na na na na na, ey)
'Cause you always gonna do me right
Baby it's you (na na na na na na, ey)
It's your turn tonight
Sit back and just relax, don't ask no questions

All you gotta do, is let me give it to you (na na na na na na, ey)
Baby, itâ€™s your turn tonight
