

Face of God

The Drums

I cant stop
I know the same town
His eyes on my eyes tonight
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I feel like I got Him
I feel like I got Him
Instrumental
Inside the mountain
You are gentle
You are gentle
His eyes are rowing on me
Always lookin
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live

I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I see the face of God
He shows me how to live
I feel like I got Him
I feel like I got Him
I feel like I got Him
I feel like got Him
