

Cyclops

Marilyn Manson

Cyclops woman got one eye in her head
Mascara-clotted vision she is fed
Cyclops woman can't see nothing at all
She got a pin prick spiral hole, yeahShe can't see nothing here, nothing at all
She can't see nothing here, nothing at allCyclops woman dying in her shell
Guilt got her trapped in, nailed in well
Cyclops woman is the eye of the world
Who's reflection's in the retina?She can't see nothing here, nothing at all
She can't see nothing here, nothing at allShe can't see nothing here, nothing at all
She can't see nothing here, nothing at allDilate, dilateShe can't see nothing here, nothing at all
She can't see nothing here, nothing at allDilate, dilate
