Come With Me

Jesse Green

Why don? t you come with me?
When you while keeping open door???
You will see
I love you never known before
You and me
We know baby whats? in store
I love you once, and then some more
Oh baby, come with me
Together let our loving flow
You and me
I teach you all you need to know
Let it be
And you will find our love will go
Don't hold back the steady go
When you're near
There's a feeling deep inside me
Ooh, I gain control
So let it be
Baby, baby, come with me
There's a feeling deep inside me
Ooh, I gain control
So let it be
Baby, baby, come with me
Why don't you come with me?
When you while keeping open door???
You will see
I love you never known before
You and me
We know baby what's in store
I love you once, and then some more
Oh baby, come with meLet it be
