

Touch

The Supremes

Darling, just relax
You melt me like hot candle wax
One touch and my whole body melts
Yet you say, you say you can't express yourself
Oh, just keep doin' what you're doin'
Fancy words would only ruin it
Touch, that very special touch
If I satisfy you, baby, how you satisfy me
Don't worry about cries
These are tears of love in my eyes
I feel this love flowin' through
Like a river boy, straight through me to you
Oh, your touch says more than words
In any language ever heard
Touch, oh, honey
I need your touch, every brand new day
I wake up wanting you the same way, hey hey hey
Your touch says more than words
In any language ever heard
Keep on doin' what you're doin'
Fancy words would only ruin it
Touch
Touch
Groove me, groove me, groove me, groove me
Groove me, groove me, groove me
Groove me with your touch
Somebody touch
Just keep doin' what you're doin'
Fancy words would only ruin it
