

Tom Boy

Electric Wire Hustle

Don't leave me standing here,
Out on my own ..
I've been so lonely,
Down in my bones ..

Such a vicious circumstance,
I can't bear to go ..
I've been so lonely,
Down in my bones ..

There's a river flowing,
To nowhere ..
It's a place for us,
But no one is there ..

Is there anything I can say to you
To make you change your mind?
Is there anything I can say to you ..
To make you change your mind?

Like that childhood treasure,
I hit you away ..
Now I feel I've lost you,
Lost you for good ..

There's an aching darling,
That no man can bear ..
There must be hope for me,
In the name of all things fair ..

Is there anything I can say to you
To make you change your mind?
Is there anything I can say to you ..
To make you change your mind?
